

Royal Berkshire Hospital Maternity Services

Congratulations on your pregnancy. We look forward to helping and supporting you over the next few months as you prepare for the birth of your baby.

The first step in your journey is for you to arrange your 'booking appointment' with your Community Midwife.

Please call:

Maternity Appointments Line

0118 322 8964 / Option 1

(lines open Mon-Fri, 8am-6pm)

This will take you through to one of our dedicated appointment clerks who will book your appointment for you. We will always try our best to arrange this for you at a convenient location, day and time.

We run clinics 7 days week and this may be at your GP practice, a local Children's Centre or one of our hospital hubs.
